

Olivia Newton-John, Freddy, My Love

Freddy, My Love, I miss you more than words can say.
Freddy, My Love, please keep in touch while you're away.
Hearing from you can make the day so much better,
Getting a souvenir or maybe a letter.
I really flipped over the grey cashmere sweater,
Freddy, My Love.
(Freddy, My Love,
Freddy, My Love,
Freddy, My Love)

Freddy, you know your absence makes me feel so blue (so-o-o blue)
That's okay though, your presents make me think of you (sure they do)
My Ma will have a heart attack when she catches
Those pedal pushers with the black leather patches,
Oh how I wish I had a jacket that matches,
Freddy, My Love.
(Freddy, My Love,
Freddy, My Love,
Freddy, My Love)

Don't keep your letter from me,
I thrill to every line.
Your spelling's kinda crummy,
But, hunny, so is mine.
I treasure every giftie,
The ring is really nifty,
You say it cost you fifty,
So you're thrifty, I don't mind. (wo-oh-oh-oh)

Freddy, you'll see,
You'll hold me in your arms someday (Freddy, My Love)
And I will be
Wearing your lacy loun-ja-ray, (Freddy, I'm yours, oh yeah)
Thinking about it, my heart's pounding already (uh huh),
Knowing when you come home we're bound to go steady
And throw your service pay 'round like confetti,
Freddy, My Love.

Freddy, My Love, Freddy, My Love, Freddy, My Love.
Freddy, My Love, Freddy, My Love, Freddy, My Love.
Freddy, My Love, Freddy, My Love, Freddy, My Love.

(Ooh-woo-oo-oo-wah)

Freddy, My Love!
