

# Olivia Newton-John, I Will Be Right Here

How can I say how much you've done for me  
How much I have just knowing I had you  
You touched my world  
And I'll never be the same  
You touched my heart  
And now everything has changed  
You are the one in this life I'll remember

Wherever you go  
Whatever you do  
Wherever you are  
My heart is with you  
No matter how far  
I'll always be near  
Whenever you need me  
I will be right here

There'll always be a part of you with me  
I hope there'll be a part of me with you  
Just call my name  
And I'll hear you on the wind  
Just close your eyes and I'll find you once again  
Just know that I'm on your side and remember

Wherever you go  
Whatever you do  
Wherever you are  
My heart is with you  
No matter how far  
I'll always be near  
Whenever you need me  
I will be right here

And when the wind touches you  
It will touch me too  
And the same star you see  
Will be the one that shines on me  
I'll be here when you need me  
I'll be here anytime  
Baby I'm your side so remember  
I will be right here

Wherever you go  
Whatever you do  
Wherever you are  
My heart is with you  
No matter how far  
I'll always be near  
Whenever you need me  
I will be right here  
I will be right here  
I will be right here
