

# Olivia Newton-John, Just A Little Too Much

(Burnett)

Sometimes I think I love you  
Just a little too much  
You know you thrill me baby  
With you magic touch  
That's why I want you honey  
And I love you like I do  
I'm gonna scream and shout it  
There ain't no doubt about it  
That's why I love you like I do

Sometimes I think you kiss me  
Just a little too much  
You drive me crazy baby,  
With your magic touch  
You make me feel so good  
When the moon is shining bright  
With our lips together  
And you're squeezin' me so tight

Now, I went steady once before  
Thought I loved the boy next door  
He stepped out on me, you see  
He couldn't be true  
Now, I got over all my dreams  
Time went by so fast it seems  
Now I know I'll never get over you  
Well, all right, all right

Sometimes I think I love you  
Just a little too much  
You know you thrill me baby  
With you magic touch  
That's why I want you honey  
And I love you like I do  
I'm gonna scream and shout it  
There ain't no doubt about it  
That's why I love you like I do  
That's why I love you like I do
