

Olivia Newton-John, Never The Less/As Time Goes By

(B. Kalmer and H. Ruby/H. Hupfeld)

Maybe I'm right and maybe I'm wrong
Maybe I'm weak and maybe I'm strong
But never the less I'm in love with you

Maybe I'll win and maybe I'll lose
And maybe I'm in for crying the blues
But never the less I'm in love with you

Somehow I know at a glance
The terrible chances I'm taking
Fine at the start
Then left with a heart that is breaking

Maybe I'll live a life of regret
And maybe I'll give much more than I get
But never the less
I'm in love with you

You must remember this
A kiss is just a kiss
A sigh is still a sigh
The fundamental things apply
As time goes by

And when true love is true
They still say I love you
On that you can rely
No matter what the future brings
As time goes by

Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman needs man
And man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by

But never the less
I'm in love with you
Never the less I'm in love
