

# Olivia Newton-John, Old Fashioned Man(Down Under)

What in the world are you waiting for  
Are you waiting for a sign  
Grab my hair, take me home  
Let me know you're mine  
None of this woman's lib for me  
I just wanna be controlled  
I can't think for myself  
I just want, honey, to told

\*I wanna old fashioned man  
Who's not afraid of a woman  
Keeps me in my place  
Takes me for granted, for granted  
I wanna old fashioned man  
Who'll treat me just like they used to  
Keeps me in my place  
Stops me from workin', workin'

Throw away my Cosmopolitan  
It can only turn my head  
Anyway I'm not meant  
To have fun in bed  
I don't want equal opportunity  
It's too difficult for me  
I'll just stand by my man  
Very quietly
