

# Olivia Newton-John, Rock & Roll Is Here To Stay

Rock oh baby rock oh baby rock oh baby rock oh baby  
Rock and roll is here to stay it will never die  
It was meant to be that way though I don't know why  
I don't care what people say rock and roll is here to stay  
We don't care what people say rock and roll is here to stay

Rock and roll will always be our ticket to the end  
It'll go down in history just you wait my friend  
Rock and roll will always be it'll go down in history hey  
Rock and roll will always be it'll go down in history

So come on everybody rock everybody rock everybody rock everybody rock  
Come on everybody rock  
Now everybody rock and roll everybody rock and roll everybody and rock and roll  
Rock and roll rock and roll rock and roll come on everybody rock and roll roll

Rock and roll will always be our ticket to the end  
It'll go down in history just you wait my friend  
Rock and roll will always be it'll go down in history  
If you don't like rock and roll think what you've been missing  
But if you like to rock and stroll come on down and listen
