

# Olivia Newton-John, Summertime Blues

(Eddie Cochran)

Well I'm gonna raise a fuss and I'm gonna raise a holler  
I've been working all summer just to try to earn a dollar  
Well the time will come when baby, I try to get a date  
My boss says [“No dice, girl, you gotta work late.”]

Sometimes I wonder what I'm a-gonna do  
But there ain't no cure for the summertime blues

Well my mom and brother told me girl you gotta make some money  
If you want to use the car to go riding next Sunday  
Well I didn't go to work--I told the boss I was sick  
[You can't use the car cause you didn't work late.]

Sometimes I wonder what I'm a-gonna do  
But there ain't no cure for the summertime blues

I'm gonna take two weeks--gonna have a fine vacation  
Gonna take my problem to the United Nations  
Well I called the congressman and he said quote  
[“I'd like to help you honey but you're too young to vote.”]

Sometimes I wonder what I'm a-gonna do  
And there ain't no cure for the summertime blues  
Ain't no cure  
No no
