

# Olivia Newton-John, Under The Skin

Don't believe the mirror  
Cause mirrors sometimes lie  
If you wanna see  
the way you look to me  
look into my eyes

you are beautiful to me  
from without and from within  
you are beautiful to me  
under the skin

when i tell you that you're special  
you don't believe it's true  
you only see what's changed  
but to me you're still the same  
there's no one quite like you

you are beautiful to me  
from without and from within  
you are beautiful to me  
under the skin

like a morning rose  
reaching for the sun  
from without and from within  
you are beautiful to me  
under the skin  
under the skin
