

# Olivia Newton-John, Whenever You're Away From

(John Farrar)

No other face would take you off my mind  
You're so refined  
You're much too kind  
I have to warn you I'm never gonna set you free  
'Cause I was born to  
Love you for eternity

Whenever you're away from me  
Wherever you go  
You're never far away from me  
I want you to know  
I only have to close my eyes dear  
And suddenly I'm where you are  
You better never stray  
Cos I'll never be far away

On every breeze I seem to hear your name  
My heart's aflame  
I feel the same  
I'd fall apart dear if you let the feelin' end  
Don't break a heart dear that nobody else could mend

Whenever you're away from me  
Wherever you go  
You're never far away from me  
I want you to know  
I only have to close my eyes dear  
And suddenly I'm where you are  
You better never stray  
Cos I'll never be far away
