

Olivia Rodrigo, bad idea right?

haven't heard from you in a couple of months but i'm out right now and i'm all fucked up
and you're calling my phone
you're all alone
and i'm sensing some undertones

and i'm right here
with all my friends
but you're sending me your new address
and i know we're done i know we're through
but god when i look at you

my brain goes ahhhh can't hear my thoughts
(i can not hear my thoughts) like blah blah blah
(blah blah blah blah blah blah) should probably not
(i should probably probably not i should probably probably not)

seeing you tonight
it's a bad idea right?
seeing you tonight it's a bad idea right?
seeing you tonight it's a bad idea right?
seeing you tonight fuck it, it's fine

yes i know that he's my ex
but can't two people reconnect
i only see him as a friend
the biggest lie i ever said
oh yes i know that he's my ex but can't two people reconnect
i only see him as a friend
i just tripped and fell into his bed

now i'm getting in the car wrecking all my plans i know i should stop
but i can't
and i told my friends i was asleep
but i never said where or in whose sheets

and i pull up to your place on the second floor and you're standing smiling at the door
and i'm sure i've seen much hotter men
but i really can't remember when

my brain goes ahhhh can't hear my thoughts
(i can not hear my thoughts) like blah blah blah
(blah blah blah blah blah blah) should probably not
(i should probably probably not i should probably probably not)

seeing you tonight
it's a bad idea right?
seeing you tonight
it's a bad idea right?
seeing you tonight
it's a bad idea right?
seeing you tonight
fuck it, its fine
