

Olly Murs, Grow Up

I thought about you the other day
What the hell happened with you and me?
Cause, I, I ain't no lovin' no more
You ain't as cool as you used to be
Closer to the mirror than you are to me
I said, had to show you that door

Someday I hope we can fix it, 'cause I ain't too proud to try
Say hi to your friends, and if they ever ask you why
We don't talk!
Know you gotta grow up
Ain't you sick of being immature?
Talking loud cause you insecure
You always turn it up, turn it up, turn it up, come on
Why you always gotta show off?
You're so offended, I already know
But when you hear this on the radio
You're gonna turn it up, turn it up, turn it up

Cause it's all about
It's all about you

Now you said some stuff that you can't take back
How did you think that I would react?
Cause you, you must be out of your mind,
How did we go straight from love to hate?
Now it's so deep that we can't be mates
I said, oh, we should give it some time

Someday I hope we can fix it, cause I ain't too proud to try
Say hi to your friends, and if they ever ask you why
We don't talk!

Know you gotta grow up
Ain't you sick of being immature?
Talking loud cause you insecure
You always turn it up, turn it up, turn it up, come on
Why you always gotta show off?
You're so offended, I already know
But when you hear this on the radio
You're gonna turn it up, turn it up, turn it up

Cause it's all about
It's all about you

Anytime you start it
You're growing up a little darling
/2x

Know you gotta grow up
Ain't you sick of being immature?
Talking loud cause you insecure
You always turn it up, turn it up, turn it up, come on
Why you always gotta show off?
You're so offended, I already know
But when you hear this on the radio
You're gonna turn it up, turn it up, turn it up
