

# Oly., Afterlife

what's your plan now, honey?  
what's your plan for today?  
would you show me your home?  
would you take my hand again  
just before you leave me  
just before your venture into the unknown  
what's your name now, honey  
if it's the last day of your life?  
this world keeps you thinking that  
you stay here forever  
this world keeps you thinking that  
you're running in a vicious circle  
I don't really care honey  
there's nothing you can do  
you are just a feeble reed  
nothing's really good for you  
just before I ask myself  
"is there anything I can do?"  
would you show me your home?  
none of us is infallible
