

# Omd, Genetic Engineering

Efficient, logical, effective, and practical.  
Using all resources to the best of our ability.  
Changing, designing, adapting our mentalities.  
Improving our abilities for a better way of life.

CHORUS:

Babies. Mother. Hospital. Scissors.  
Creature. Judgement. Butcher. Engineer.  
These are the little children, the future in our hands.  
When all God's children on this Earth inherit all our plans.  
These are the lies they tell us. But this is the only way.  
When all God's children on the Earth will evermore be saved.

REPEAT CHORUS (2)

These are the little children, the future in our hands.  
When all God's children on this Earth inherit all our plans.  
These are the lies they tell us. The future's good as sold.  
In all the things we do and know, we really must be told.
