Omd, Secret

I've got a secret I can't explain And all the time I've waited for this day All along I was never in doubt I always knew it would never get out There are things that I cannot tell And there are things that you know damn well This is getting very hard for me I guess you'd better just wait and see This is all, this is all You heard a message and the message was clear And all the time you wipe away that tear All I want is to hold your hand To see the sun and walk the sand You make me sad and you make me glad And now you see all my secret is this lovels love, is love All my secret is this love Everyday you're always there You comfort me and make me feel it's worth my while And then I look around and you're not there And everyday you say you care and I'll beware This is all, this is all I've got a secret and I can't explain All I want is to hold your hand All along I was never in doubt To see the sun and to walk the sand
