

# Omnia, Alive!

Hot like the sun  
Wet like the rain  
Green like the leaves  
Life is a game  
Stars in my head  
Shine moon shine  
Everything's cool  
And I feel fine  
Can you touch  
The root that feed us  
Can you hear  
The words that i say  
Can you feel  
The music move you  
Can you feel alive today  
Vana dea dzjo vana dea  
La vana do aribedibeda  
Vana dea dzjo vana dea  
La vana do aribeda  
Vana dea dzjo vana dea  
La vana do aribedibeda  
Vana dea dzjo vana dea  
La vana do aribeda  
Falledal do  
Falledal dea  
Falledal do  
Falledal da  
Falledaldea  
Ya vana dea ribeda  
Can you touch  
The root that feed us  
Can you hear  
The words that i say  
Can you feel  
The music move you  
Can you feel alive today  
Vana dea dzjo vana dea  
La vana do aribedibeda  
Vana dea dzjo vana dea  
La vana do aribeda  
Vana dea dzjo vana dea  
La vana do aribedibeda  
Vana dea dzjo vana dea  
La vana do aribeda  
Falledal do  
Falledal dea  
Falledal do  
Falledal da  
Falledaldea  
Ya vana dea ribeda  
Can you touch  
The root that feed us  
Can you hear  
The words that i say  
Can you feel  
The music move you  
Can you feel alive today  
Can you feel alive  
Can you feel alive  
Can you feel alive  
Strong like the grass  
Tall like a tree  
Free like the wind  
Eternally

Nothing to lose  
Nothing to gain  
Just running wyld  
Again and again and again  
Can you touch  
The root that feed us  
Can you hear  
The words that i say  
Can you feel  
The music move you  
Can you feel alive today  
Falledal do  
Falledal dea  
Falledal do  
Falledal da  
Falledaldea  
Ya vana dea ribeda  
Bumblebees and blossom  
Only trees and me  
Humble bees and blossom  
Only trees and me
