

# On Broken Wings, Tether

Show me the stairway I have to climb  
Lord, for my sake  
Teach me to take on day at a time  
Wash it away  
It's too much for on soul to take  
Yeah, I think you're sucked down to far into this  
So now tonight, so far, it's alright  
Should this seem safer under blanket and sheet  
Still can't hide your face and you're still not home  
Take me from my room alone
