

On The Last Day, The Journey And The Balance

Step into frame. This is your scene. The end is the same. It can't be changed.

You can't escape. You can't erase this part of fate. We're all the same here at the end of the journey.

Just one more day. Just one more chance to say the things that I meant to say. Wait... just one more day.

Stand behind me (Stay still) So safe (shielded) no pain (Slip frame by frame) Rewrite the end (Before it's too late)

Just one more day. Just one more chance to say the things that I meant to say. Wait... just one more day.

Find the message in the static. Heed the warnings there. Search for meaning in the journey. Balance the scales.
