

# Once, If you eant me

Are you really here or am I dreaming  
I cant tell dreams from truth  
For its been so long since I have seen you  
I can hardly remember your face anymore  
When I get really lonely and the distance calls its only silence  
I think of you smiling with pride in your eyes a lover that sighs  
If you want me satisfy me  
If you want me satisfy me  
Are you really sure that you believe me  
When others say I lie  
I wonder if you could ever despise me  
You know I really try  
To be a better one to satisfy you for youre everything to me  
And I do what you ask me  
If you let me be free  
If you want me satisfy me  
If you want me satisfy me  
If you want me satisfy me  
If you want me satisfy me
