

Once, If you eant me

Are you really here or am I dreaming
I cant tell dreams from truth
For its been so long since I have seen you
I can hardly remember your face anymore
When I get really lonely and the distance calls its only silence
I think of you smiling with pride in your eyes a lover that sighs
If you want me satisfy me
If you want me satisfy me
Are you really sure that you believe me
When others say I lie
I wonder if you could ever despise me
You know I really try
To be a better one to satisfy you for youre everything to me
And I do what you ask me
If you let me be free
If you want me satisfy me
If you want me satisfy me
If you want me satisfy me
If you want me satisfy me
