

# One 2 Many, Downtown

Now and then they tell the centre of my dreams  
Listening to the feelings of your soul  
Just forget about the hard times left behind  
And think of where you really want to go

Let me show you where to what to be  
Let me show you where can be free  
Let me take you to the place I know  
Let me take you when we come, lets go

Come downtown  
In the city there's a lot of fun  
Down downtown  
Wooa wooa wooa woo  
Come downtown  
Let's go ahead, don't turn around  
Down downtown  
Wooa wooa wooa woo

Think of all the times when you were down and out  
Had no money and no place to go  
Think of all the times when you were on your own  
No one seemed to care - no friends, no love

Let me show you where what to be  
Let me show you where you can be free  
Let me take you to the place I know  
Let me take you when we come, lets go

Come downtown  
In the city there's a lot of fun  
Down downtown  
Wooa wooa wooa woo  
Come downtown  
Let's go ahead, don't turn around  
Down downtown  
Wooa wooa wooa woo

I will take all of the shadows right away  
Enter Soho with a brighter day  
This is no time in a village for a while  
We can live a life of happiness and style

Aha  
Down downtown  
Wooa wooa wooa woo  
Come downtown

Down downtown  
Wooa wooa wooa woo  
Come downtown....
