

One Bad Pig, Godarchy

Chorus:

Tell me what you believe
Jesus or anarchy
Who are you gonna be?
Lets live for Godarchy

You call it truth - its only smoke
Are you for real? is this a joke?
Marx and Lenin are your thing
Where will you be when Christ is King?

Tell me what you believe
Jesus or anarchy
Who are you gonna be?
Lets live for Godarchy

War and famine, hate, greed and fear
Will all of that jsut disapear?
Just go away? where have you been?
We love it all cause we love sin

Tell me what you believe
Jesus or anarchy
Who are you gonna be?
Lets live for Godarchy
(2x)

Is "No More Rule" your answer found
Its satans lie, in which youre bound
Free in Jesus, cause He is risen
Youre in a hole - anarchy is prison

Tell me what you believe
Jesus or anarchy
Who are you gonna be?
Lets live for Godarchy

Chorus 2:

Tell me what you believe
Jesus will set you free
Get down on your knees
Lets live for Godarchy

ANARCHY IS PRISON!
ANARCHY IS PRISON!
ANARCHY IS PRISON!
LETS LIVE FOR GODARCHY!!
