

One Bad Pig, I Am The Chief

If I be lifted up you got the wrong man
If there be any glory dont look at the band
The weight of perfection is getting on my nerves
Save all the hype for the one who deserves

One thing that binds us all - pros or beginners
We cant deny the truth, all mankind are sinners...and

Chorus:

I am the chief, I am the chief
I am the chief, I am the chief

(Im sorry, but I havent got the lyrics to verse 2.
If anyone have those lyrics I would be vey thankful
if you could mail em to me)

I am the chief, I am the chief
I am the chief, I am the chief

"The lust of the flesh, the lust of the eyes
The pride of life" screams rhe father of lies
Temptation is loud trying to force my choice
And Im straining to hear the still small voice

The Spirit brings conviction
Tonight I cannot sleep
I fall down on my face and cry
"My God - I need mercy!"...for

I am the chief, I am the chief
I am the chief, I am the chief
I am the chief, I am the chief
I am the chief, I am the chief...of all sinners

Cavity, depravity, reality, fantasy,
Accountability, responsebility, destiny
Ministry, consistency, mystery, nobility
Divinity, majesty, authority, miraculously
I need..... DELIVERY!!
