

One Bad Pig, Ice Cream Sundae

Ice cream tastes so good, so sweet
Gives you nightmare in your sleep
Quadruple scoope with losts of fudge
Youll grow so fat you cannot budge
The luscious treat we love to eat
Spoils our apetite for meat
A sugar high satraight from the churn
In an hour you crash and burn

Chorus:

The world is like an ice cream sundae
The world is like an ice cream sundae
The world is like an ice cream sundae
Its all gonna melt someday
Banana split or mint parfait
Guilty pleasure brings decay
Thirty-one flavors made to please
The fat will give you heart disease
Preservaties and additives
Beware the cancer that it gives
One scoop turns into a quart
Willpower always comes up short
The world is like an ice cream sundae
The world is like an ice cream sundae
The world is like an ice cream sundae
Its all gonna melt someday
I scream, you scream
We all scream for ice cream
We all scream for ice cream
The world is like an ice cream sundae
The world is like an ice cream sundae
The world is like an ice cream sundae
Its all gonna melt someday
The world is like an ice cream sundae
The world is like an ice cream sundae
The world is like an ice cream sundae
Its all gonna melt someday...
