

One Bad Pig, Sober Up

Drunk on music, drunk on sports
Drunk on pleasures of all sorts
Drunk on causes, drunk on work
These can be good, but dont be a jerk

Chorus:
Sober up
Your thinkings dull
Sober up
Youre out of your skull
Sober up
Life could be super
Sober up
From your spiritual stupor

Drunk on men, drunk on women
Drunk on thoughts that keep you sinnin
Drunk on fortune, drunk on fame
Drunk on the world and its such a shame

Drunk on drugs, drunk on thrills
Movin fast through societies ills
Drunk on power, drunk on self
Say it again?...just say it yourself

Sober up
Your thinkings dull
Sober up
Youre out of your skull
Sober up
Life could be super
Sober up
From your spiritual stupor

Tryin to walk the line
Hey - youre staggerin fine
Dont be drunk with wine
Get your fill from the Holy Vine

Sober up
Theres a better way
Sober up
Can you heat what I say?
Sober up
Your thinkins dull
Sober up
Youre out of your skull

Sober up
Sober up
Sober up...
