

One Bad Pig, Swine Flew

When Jesus made me Kosher
When I drank the sweet new wine
I felt like a new creature
Really felt like one fine swine
Stark, cold, wet reality
Came and nearly quenched my fire
`Til I heard God speak to me
I was right back in the mire

Chorus:

You'd have to see it to believe it, still God's Word is true
Swine flew, swine flew
It gives grace a whole new meaning in a sky of blue
Swine flew, swine flew

He said "I haven't left you,
Hang tight and hope in Me,
I'll reinvigorate you
Give you strength and energy"

Up on my feet and moving
Got a strange new runners high
See me sprouting eagles wings
This pig is gonna fly

You'd have to see it to believe it, still God's Word is true
Swine flew, swine flew
It gives grace a whole new meaning in a sky of blue
Swine flew, swine flew
Slipped the surely bonds of Earth, in a way few do
Swine flew, swine flew
You can join me in the air, or just sit and stew
Swine flew, swine flew

Swine flew, swine flew, swine flew swine flew swine flew swine flew...

(Look, up in the sky!!! It's a bird?! It's a plane?! It's Superman!
No man, it's not Superman. It's ONE BAD PIG!)

Swine flew
