

One Bad Pig, Take A Flying Leap

The water invites
The cliff is high
Perched on a ledge
Against the sky
Want to go in
Yet gripped by fear
The water invites
So deep and clear

Chorus:
Cmon man! Talk is cheap
Leave the cliff behind
Take a flying leap
Dive in!

The body commits
Now sail in fight
Strike the water
Cold, cold bite
Another world
In purest stream
Theres calm and power
Glide through the dream

Cmon man! Talk is cheap
Leave the cliff behind
Take a flying leap
Dive in!

From barren rock
Forever free
Gods current swift
Proppeling me
To thirsty men
This river flows
Miracles
For thirsty souls

Cmon man! Talk is cheap
Leave the cliff behind
Take a flying leap
Dive in!
(2x)

DIVE IN!
