

# One Chance, So Imotional

(Verse 1:)

I'm rushing home  
She said she's packing her things  
And she's leaving the key to  
the front door  
Should I have known,  
That it would happen once again  
Was it something I could have  
done to make her stay,  
then watch her turn around  
and find the freedom to walk out another day  
I'm sick of this lover  
I'm caught up in my fears and it's  
tearing me up

(Chorus:)

(I'm so emotional)  
Every since this situation, my mind is telling me I'm no good.  
(Every since you've been gone)  
Life just ain't the same, there's no one else to blame but love.  
(I'm so emotional)  
I'm crying even though the tears are never falling from my eyes  
(I'm so emotional)  
I'm so emotional  
(I'm so emotional)

(Verse 2:)

The week is gone  
Still looking at these four walls  
Thinking if I should pick up the phone  
And what I'm gon' say to ya'  
My bed has never been so cold

And baby it hurts, I said it hurts  
To hear ya say you ain't needing me,  
Like i've been needing you to fill this space  
And now I'll never have a chance to feel again.

(Chorus:)

(I'm so emotional)  
Every since this situation, my mind is telling me I'm no good.  
(Every since you've been gone)  
Life just ain't the same, there's no one else to blame but love.  
(I'm so emotional)  
I'm crying even though the tears are never falling from my eyes  
(I'm so emotional)  
I'm so emotional  
(I'm so emotional)  
I'm so emotional, say

(Hook x2:)

Ooh, I'm hurting  
trying' to hide the pain inside  
but it's tearin' me up  
(I'm falling)  
I'm losing, every since she said goodbye  
Why is she giving me up?  
(I'm so emotional)

I know I waited to long  
Made my mistakes, I know I treated her wrong  
But there's gotta be an easier way  
to heal my pain, she left me feeling.....

(Chorus x2)
