

# One Cool Guy, What We Do

i said listen up y'all and listen up good  
we come to rock the stage like you know we should  
mostly harmless with a heart of gold  
don't panic now cuz i control the floor

we're coming on strong and we're coming on thick  
we layin' on the style and we lay it on thick  
spinning round the room and i make ya feel sick  
i said a welcome to my lair cuz i got a big (expletive)

b-o-b-a f-e-double-t that's me  
straight edge mind with a vegan body  
spring to life as we start to groove  
i thought you always knew

this is what we do,  
keep it moving for you  
so get off your seat get on your feet and let me see you move with me

sit back y'all and open up yer ears  
the ocg is coming and we're creeping from the rear  
and when we're on stage we bringing with the might  
so watch out y'all cuz this shit sounds tight

we come to the club and we tear up the show  
look at the kids cuz they moving to the flow  
the long hair, the short hair or the afro  
it don't matter y'all cuz you all are my bros  
now let me see ya dance  
let me see you move  
listen to the bass cuz he's playing real schmoove  
we break all the rules and we break all the laws  
listen to us just because
