

One Direction, Can't Let Her Go

She's so mean but I gotta love it,
And I just can't let her go
I'm so whipped on her tiny little
She's a sexy animal
Spends too much
And I never tell her no
Drives me nuts
And she got me by the throat
She's so mean but I gotta love it
And I just can't let her go

Breaks a billion hearts
I know I'm next in line
But I don't mind yeah, o,o,o
I want her
Everybody wants her,
She knows it, e, e, e
I want her, but I better run away

She's so mean but I gotta love it,
And I just can't let her go
I'm so whipped on her tiny little
She's a sexy animal
Spends too much
And I never tell her no
Drives me nuts
And she got me by the throat
She's so mean but I gotta love it
And I just can't let her go
