One Direction, Heart Attack

Harry
Baby you got me sick
I don't know what I did
Need to take a break and figure it out, yeah
Got your voice in my head
Saying let's just be friends
Can't believe the words came out of your mouth
Yeah

Zayn
I?m trying to be okay
Im trying to be alright
But seeing you with him
Just don?t feel right

Harry
And I?m like oww

All
Never thought it?d hurt so bad
Getting over you
And oww
You?re giving me a heart attack
Looking like you do
Cause you?re all I ever wanted
Thought you would be the one that?s oww
Giving me a heart attack getting over you

Liam
Baby now that you?re gone
I can?t stand dumb love songs
Missing you is all I?m thinking about, yeah

Niall
Everyone?s telling me,
I?m just to blind to see
How you messed me up
I?m better off now
Yeah

Zayn
I?m trying to be okay
Im trying to be alright
But seeing you with him
Just don?t feel right

Harry
And I?m like oww

All
Never thought it?d hurt so bad
Getting over you
And oww
You?re giving me a heart attack
Looking like you do
Cause you?re all I ever wanted
Thought you would be the one that?s oww
Giving me a heart attack getting over you
