

# One Direction, I should have kissed you

Liam:

I keep playing it inside my head  
all that you said to me  
I lie awake just to convince myself  
This wasn't just a dream  
'cause you were right there

Harry:

And I should have taken the chance

Liam:

But I got so scared

Harry:

and I lost the moment again  
It's all that I can think about oh  
your all that I can think about

Together:

Is your heart taken  
Is there somebody else on your mind  
I'm so sorry, I'm so confused  
just tell me am I outta time?  
Is your heart breaking  
How do you feel about me now  
I can't believe I let you walk away when  
when I should have kissed you?

I should've, I should've oh  
I should have kissed you x4

Liam:

Every morning when I leave my house  
I always look for you yeah  
I see you everytime I close my eyes  
what am I gonna do?,  
And all my friends say

Zayn:

that I'm punching over my weight

Liam:

But in your eyes I

Zayn:

saw how you were looking at me

Zayn and Louis :

It's all that I can think about  
your all that I can think

Together:

Is your heart taken  
Is there somebody else on your mind  
I'm so sorry, It's so confused  
just tell me am I outta time?  
Is your heart breaking  
How do you feel about me now  
I can;t believe I let you walk away when  
when I should have kissed you?

I should've, I should've oh  
I should have kissed you x4

Zayn:  
When you stood there  
just a heartbeat away  
When we were dancing  
and you looked up at me  
If I had known then  
that I'd be feeling this way  
If I could replay  
I would have never let you go

Liam:  
Oh oh Never let you go.  
am I out of time

Together:  
Is your heart taken  
Is there somebody else on your mind  
I'm so sorry, It's so confused  
just tell me am I outta time?  
Is your heart breaking  
How do you feel about me now  
I can't believe I let you walk away when  
when I should have kissed you?

I should've, I should've oh  
I should have kissed you x4

I should have kissed you.
