

# One Direction, Save You Tonight

Louis:

I, I wanna save you, wanna save your heart tonight  
He'll only break you, leave you torn apart oh

Liam:

It's a quarter to three, can't sleep at all  
He's so over-rated  
If you told me to jump, I'd take the fall  
And he wouldn't take it

Harry:

All that you want in under your nose  
You should open your eyes, but they stay closed, closed

Louis:

I, I wanna save you, wanna save your heart tonight  
He'll only break you, leave you torn apart

Together:

Oh, I can't be no superman  
But for you I'll be superhuman  
I, I wanna save you, save you, save you tonight

Zayn:

Oh, now you're at home and he don't call  
Cause he don't adore ya  
To him you are just another doll  
And I tried to warn ya

Harry:

What you want, what you need has been right here  
I can see that you are holding back those tears, tears

Louis:

I, I wanna save you, wanna save your heart tonight  
He'll only break you, leave you torn apart

Together:

Oh, I can't be no superman  
But for you I'll be superhuman  
I, I wanna save you, save you, save you tonight

Louis:

Up, up and away, I'll take you with me  
Up, up and away, I'll take you with me

Louis:

I, I wanna save you, wanna save your heart tonight  
He'll only break you, leave you torn apart

Together:

Oh, I can't be no superman  
But for you I'll be superhuman  
I, I wanna save you, save you, save you tonight  
I wanna save you, save you, save you tonight  
I wanna save you, save you, save you tonight
