

# One Dollar Short, Is This The Part?

We went out last night  
Didn't go as planned  
Dropped you off around 12  
Car doors slammed  
No look back  
I said I was sorry  
You didn't say goodnight  
What have I done that was so wrong?

Is this the part that we say it's over?  
Is this the part that we say goodbye?  
Didn't mean to make you cry  
Didn't mean to hurt you  
Please believe me when I say

Why can't we  
Just go back  
To how we once were?  
Why won't you return my calls?  
Words were said  
The kind that hurt  
A promise made, a promise broken  
We have to work this out  
What have I done that was so wrong?

Is this the part that we say it's over?  
Is this the part that we say goodbye?  
Didn't mean to make you cry  
Didn't mean to hurt you  
Please believe me when I say

I'm sorry  
I'm sorry, yeah  
I'm sorry  
I'm sorry, yeah

Is this the part where we say (Is this the part where we say)  
Is this the part where we say (Is this the part where we say)  
Is this the part where we say (Is this the part where we say)  
Is this the part where we say (Is this the part where we say)
