

One Dollar Short, Tightrope

can't you see what you do to me?
is this the way it's meant to be?
can't you just give me a second chance.
i was always there for you but you were never there for me
stop this balancing act.

i walk the thin line for you

please don't think about me
i don't want to be part of your thoughts
just leave me here to wallow
why pretend to care at all
so cold blooded as i recall
never there to catch my fall

i walk the thin line for you
