

One Man Army, She Wants Me Dead

Oh No Not Again
I've Cut Myself
Far Too Deep
With The Glass On The Floor
I Broke Last Night
I'm In Trouble So We Don't Speak
And When I Call The Phone Just Rings
You'd Take My Eyes Out If You Could
I Know You Would
It's The Same Mistake
I'll Always Make...I Lost My Head
And Now You Want Me Dead
I Must Take Leave My Love
For A Few Nothin' More
Till I'm Singing In The Drink
She Wants Me Dead
