

One Vo1ce, Luvin' You

Luvin' you is all I wanna do (4x)

(Chorus)

Luvin' you comes so easily for me

Thinkin' of you boy, you know you are my remedy (my remedy)

Oh, bein' with you that's where I'll always wanna be (where I wanna be)

Every night and day(night and day) I'm so grateful for(grateful for) the love you bring (your my ever)

You are my everything

(Verse)

From the moment that I met you, you've been always on my mind (constantly)

You correspond to my lonely heart and now my world is so complete

(I'm overfilled of your joy) From the love that you give

And when I'm lookin' into your eyes, I get so lost in a moment

(Chorus)

(Verse)

All this time, you've been my friend and my lover

No one can ever replace you boy (you share my love and forever)

And as far as I can see, I'll bring you nothing but happiness

What we share is all so real (real, real ,real, real, real)

(Chorus)

(Breakdown)

From the first day that you touch my soul life just haven't been the same

(no, no, no, no)

And I would like the whole world to know that you are my everything

(my everything)

From the first day that you touch my soul life just haven't been the same

(you should know that)

And I would like the whole world to know that you are my everything

(you are my everything)

(Chorus)

Luvin' you is all I wanna do (repeat and fade)
