

OneRepublic, All The Right Moves

All the right friends in all the wrong places
So yeah, we're going down
They've got all the right moves in all the right faces
So yeah, we're going down
Just paint the picture of a perfect place
They've got it better than what anyone's told you
They'll be the King of Hearts, and you're the Queen of Spades
And we'll fight for you like we were your soldiers

I know we've got it good
But they've got it made
And the grass is getting greener each day
I know things are looking up
But soon they'll take us down
before anybody's knowing our name.

They've got all the right friends in all the right places
So yeah, we're going down
We've got all the right moves and all the wrong faces
So yeah, we're going down
They said, everybody knows, everybody knows where we're going
Yeah, we're going down
They said, everybody knows, everybody knows where we're going
Yeah, we're going down

Do you think I'm special?
Do you think I'm nice?
Am I bright enough to shine in your spaces?
Between the noise you hear
And the sound you like
Are we just sinking in an ocean of faces?

It can be possible that rain can fall,
Only when it's over our heads
The sun is shining everyday, but it's far away
All the world is dead.

They've got,
They've got all the right friends in all the wrong places
So yeah, we're going down
We've got all the right moves and and all the wrong faces
So yeah, we're going down

They said, everybody knows, everybody knows where we're going
Yeah, we're going down
They said, everybody knows, everybody knows where we're going
Yeah, we're going down

It doesn't matter what you see.
I know i could never be
Someone that looks like you.
It doesn't matter what you say
I know i could never face
someone that could sound like you.

All the right friends in all the wrong places
So yeah, we're going down
We've got all the right moves and all the wrong faces
So yeah, we're going down

All the right friends in all the wrong places
So yeah, we're going down
We've got all the right moves and all the wrong faces
So yeah, we're going down

They said, everybody knows everybody knows where we're going
Yeah we're going down
They said, everybody knows everybody knows where we're going
Yeah we're going down
All the right moves, hey
Yeah, we're going down
All the right moves, hey
Yeah, we're going down
