OneRepublic, Counting Star

Lately I been, I been losing sleep Dreaming about the things that we could be But baby I been, I been prayin' hard Said no more counting dollars We'll be counting stars Yeah, we'll be counting stars

I see this life Like a swinging vine Swing my heart across the line In my faces flashing suns Seek it out and ye shall find Old, but I'm not that old Young, but I'm not that bold And I don't think the world is sold I'm just doing what we're told

I feel something so right At doing the wrong thing I feel something so wrong At doing the right thing I could lie, could lie, could lie Everything that kills me makes me feel alive

Lately I been, I been losing sleep Dreaming about the things that we could be But baby I been, I been prayin' hard Said no more counting dollars We'll be counting stars Lately I been, I been losing sleep Dreaming about the things that we could be But baby I been, I been prayin' hard Said no more counting dollars We'll be, we'll be counting stars

I feel the love And I feel it burn Down this river every turn Hope is a four letter word Make that money Watch it burn Old, but I'm not that old Young, but I'm not that bold And I don't think the world is sold I'm just doing what we're told

And I feel something so wrong At doing the right thing I could lie, could lie, could lie Everything that drowns me makes me wanna fly

Lately I been, I been losing sleep Dreaming about the things that we could be But baby I been, I been prayin' hard Said no more counting dollars We'll be counting stars Lately I been, I been losing sleep Dreaming about the things that we could be But baby I been, I been prayin' hard Said no more counting dollars We'll be, we'll be counting stars

Take that money And watch it burn Sink in the river The lessons I learned /4x
