

Oomph!, Drop The Lie

I will try - you will see
Dont deny - you and me

All - all of my lies
All - all of my tries
All - all of my lies
All - all of my cries

Let me try to sacrifice
Let me try to drop the lie
Let me fuckin

You have my empathy
Dont you cry - let me be
All - all of my lies
All - all of my tries
All - all of my lies
All - all of my cries

Let me try to sacrifice
Let me try to drop the lie
Let me fuckin
Let me drop the lie
