

Oomph!, God is a popstar

Our Father who art in Heaven,
Hallowed be Thy name,
Thy kingdom come
Thy will be done,
On Earth as it is in Heaven,
And forgive us of our guilt,
And lead us not to temptation,
But deliver us from evil
I give you love,
I give you hope,
But it appears,
That the masses want to be deceived.
God is a pop star
and the show goes on.
God is a pop star,
The applause is huge.
God is a pop star,
He listens to the world.
God is a pop star,
Until the curtain drops
Our Father who art in Heaven,
Hallowed be the lies,
My flesh deprived
My will be done
On Earth as it is in Heaven
And forgive us of our greed
And lead us now in temptation
And then deliver us to all the evil
I give you love,
I give you hope,
But it appears,
That the masses want to be deceived.
God is a pop star
and the show goes on.
God is a pop star,
The applause is huge.
God is a pop star,
He listens to the world.
God is a pop star,
Until the curtain drops
We're so happy,
We love all the
The world is divine,
We're alone together,
We're so happy,
Everyone get in line.
The world is divine,
The lies will set you free
God is a pop star
and the show goes on.
God is a pop star,
The applause is huge.
God is a pop star,
He listens to the world.
God is a pop star,
Until the curtain drops
