

Oomph!, Kill Me Again

You set the world on fire
You're such an awesome liar
You set my soul on ice
I'm gonna pay the price
So what you see is what you get
So what you see is dead
If you don't think you can save me
Kill me - kill me again
Your love has made me feel like I'm dead
I really don't know why
You make me wanna die
I see it in your eyes
You're full of brilliant lies
So what you see is what you get
So what you see is dead
If you don't think you can save me
Kill me - kill me again
Your love has made me feel like I'm dead
If you don't think you can save me
Kill me - kill me again
So what you see is what you get
So what you see is dead
