

Operation Ivy, I Got No

When you're Dying - giving up hope
Living for smoking dope
Singing that same old song
Yeah yeah yeah it's always the same
I got no - nothing in mind
I was trya new adventure
Buying that old peer pressure
Wasting my mind away
But i saved it just in time
The reason I was going mad
I was hating my mom and dad
Riding a sinking ship
Thank god i never did slip.
