

Operation Ivy, Yelling In My Ear

never had a reason for the attack
it's impulsive and insane
when I wanna talk sense to you
it's like spitting back at rain
I've come to know that when I first saw you
I should have ran away
I've kicked myself a thousand times
but now its too late

yelling in my ear, you try to control me
yelling in my ear, you look but you don't see
yelling in my ear, yelling in my ear
yelling----- my ear

you got a big mouth are you ever gonna get a clue
youre loud obnoxious when youre gone I still hear you
always spewing shit with you irritating voice
I dont wanna listen but I got no choice

yelling in my ear, you try to control me
yelling in my ear, you look but you don't see
yelling in my ear, yelling in my ear
yelling----- my ear

quit acting like youre nuts, just shut the hell up

yelling in my ear, you try to control me
yelling in my ear, you look but you don't see
yelling in my ear, yelling in my ear
yelling----- my ear
