

Optimus Rhyme, My Piroshky (Reprise)

Slide by quickly, get my piroshky, hmm
Let me get a spinach, egg, and cheese
Tall Americano, grab it then I leave
Eat it speedily, get it in the blood stream
Roll by Bulldog, grab a magazine, then I'm out
Eastbound back to the house
Grab my shoes hit the park no doubt
And it's about time for some basketball
Powerhighs on the court with the turnaround, y'all
School the Indie Rockers, it's time to go
Get back to practice, prep for the next show
