

# Orange And Lemons, Blue Moon

Blue moon  
You saw me standing alone  
Without a dream in my heart  
Without a love on my own

Blue moon  
You saw me standing alone  
Without a dream in my heart  
Without a love on my own

Blue moon  
You knew just what i was there for  
You heard me saying a prayer

For someone i really could care for.

And suddenly there appeared before me  
The only one my arms could ever hold  
I heard someone whisper, &quot;please, adore me&quot;  
And when i looked my moon had turned to gold.

Blue moon,  
Now i'm no longer alone  
Without a dream in my heart,  
Without a love of my own  
Without a love of my own
