

# Oratory, Kingdom's Legacy

He found fate in his way  
The only cause he fought for  
He discovered the only thing  
To lose his life

In the wild land of trees  
Rivers and stories  
Tell the believers to be afraid  
Once upon a time  
A story has been told  
It recalls life itself. About dreams  
Glory...  
A quest for glory  
A world...  
Where skies are blue

He fought with his heart  
Against spells and sorceress  
A brave man he is  
Fighting for destiny
