

# Orbita Wiru, Choose Like Zinedine Zidane

Who, how, where, when, why?  
Life is an endless compromise.  
Decision-making process,  
strange situations: "no way out".

Choose, choose, choose, choosing  
"hide and seek" with destiny.  
How to satisfy the whole world  
still keeping your own dignity.

Zidane, Zinedine Zidane  
Choose like a Zinedine Zidane.  
Dignity or fame.

One day I saw on TV  
famous footballer  
admired by the soccerfans  
offended by the opponent.

Quick response, strong head blow  
in the name of selfrespect.  
Conscience showed him the right choice  
dignity over shortlasting fame.

Zidane, Zinedine Zidane  
Choose like a Zinedine Zidane.  
Dignity or fame.
