

Orchid, Heretic

You're hanging around my door
Trying to change my ways
Telling me what's in store
About the end of days

People behind you, yeah
Saying you speak what's true
But I don't need you, girl
Telling me what to do, oh, no!

You'll never change my ways
'cause I'm a heretic
You'll never change my ways
'cause I'm a heretic
Oh, yeah!

You walk beside me
Waving that book around
Clutching your cross, oh, yeah!
Pointing me to the ground

But I don't need you, no
I found my way long ago
My master's inside me, yeah!
He ain't telling me what to know, oh, no!

You'll never change my ways
'cause I'm a heretic
You'll never change my ways
'cause I'm a heretic

Oh, yeah!
Alright now!
Oh, yeah!
Alright
Oh, no!
Oh, no!

You'll never change my ways
'cause I'm a heretic
You'll never change my ways
'cause I'm a heretic

Oh, yeah!
Heretic
Heretic
Heretic
