

Ordo Equilibrio, Cleft of stainless Rose

In robes arrayed by will disclosed
Reveals of cleft of stainless rose
Your legs unfold with stockings wed
By cords confined in eagle spread
A tender rose aroused by tooth
Where pleasure streams of boundless lust
Submit to joy with palms exposed
I love command you love control
Hands affixed with bonds confined
Restrained to serve for love sublime
A cleft of rose where pleasures dwell
By way of lust the flower swells
A lovers kiss on rosy lips
As recondite as lust depicts
Amid two legs of silken hose
Unveils a cleft of stainless rose
