

Ordo Rosarius Equilibrio, This Is Darkness, There

This is darkness
Who will bring the light
Can you peer through the crucified
I am not one
Blessed be life
There will be light
Looking through the glass
Seeing what's not to be seen
Frozen angels whisper
Is salvation?
We are one
Side by side

This is darkness
Who will bring the light
Can you live through servitude
I am not one
Blessed be life
There will be light
Singing with the angels
Live and realize
Frozen angels whisper
Is salvation?
We are one
Side by side
